Social Media Marketing

Twenty simple letters that have a colossal meaning! I just love the word colossal! I once bought a donut at a bakery in France and the donut itself was called colossal. Okay, enough of the word colossal.

My intention here is to type as quickly as possible to see how many words I can come up with during a three-minute period that relates to Social Media Marketing. Why? You ask: Because I need a brain break and I believe it could be fun. Here I go (deep breath).

- Strategy
- Relationship Building
- Word Press
- Time intensive
- Follow
- Friend
- Tweet
- Blog
- Picture
- Post
- Comment
- Status
- Marketing
- Online
- Optimization
